

## Amigurumi Ponies

WR1963

INTERMEDIATE

Designed by Nancy Anderson.

**Pony measures 7" high.**

**RED HEART® "Stripes™":** 1 ball 942 Cancun Stripe **MC** or 944 Breezy Stripe **MC**.

**RED HEART® "Super Saver®":** 1 skein each 311 White **A** and 312 Black **B**.

**Crochet Hooks:** 4mm [US G-6] and 3.75mm [US F-5].  
Yarn needle, polyester stuffing, two black 1/8" (5mm) buttons, sewing needle, black thread, plastic pellets (optional).

**Gauge:** 16 sts = 4"; 16 rnds = 4" in sc with larger hook.  
**CHECK YOUR GAUGE. Use any size hook to obtain the specified gauge.**

**NOTES:** Body is worked from tail end to neck.  
Hooves are done by matching color patterns of yarn for each hoof. Use one of the colors that has a shorter run so hooves will be different from legs.

If using plastic pellets to weight the body, place about 3 or 4 tablespoons of them in the toe of a knee-high stocking & tie the top securely. Stuff this into the tail-end to offset the weight of the head.

Work in continuous rnds without joining unless otherwise specified. Mark first st of each rnd and move marker up each rnd.

### Special Abbreviation:

**sc2tog** = [draw up a loop in next st] twice, yo and draw through all 3 loops on hook.

**Tail:** With smaller hook and **MC**, ch 5. Fasten off leaving a long tail for sewing. Cut three 4” strands of yarn. Fold strands in half forming a loop; insert the crochet hook into the end of the chain and draw the loop through, then draw the yarn ends through the loop and tighten. Pull plies apart to fluff and trim to about 1”.

## Finishing

Sew all 4 legs to each other at the top of the legs, using the un-trimmed yarn ends. Tack the legs as needed to keep them from flailing out.

Attach the 4 joined legs by sewing securely to the bottom of the body, positioning them more towards the back to offset the weight of the head. Attach tail at the very back of the body.

Pin head to body as pictured. Attach by sewing with yarn tail. Sew on eyes. Sew buttons to eyeball with needle and black thread. Pin eyelid on with the curved edge over the top of the eyes; sew in place, tacking down in a few places in the middle of the 2 eyes.

Using **B** and sharp yarn needle, embroider the mouth using an outline or running st. Make the nostrils using a French knot st. Outline eyelids with **B** using a running or outline st. Weave in ends.

**Mane:** Cut ten 4” strands of yarn. Fold 2 strands in half forming a loop; insert the crochet hook into a loop on the back of the head and draw the loop through, then draw the yarn ends through the loop and tighten. Repeat with remaining cut strands. Pull plies apart to fluff and trim to about 1”.
